## Prayer

The following prayer was offered by the Reverend Thomas Skindeleski of St. Vincent Ferrer Church of Delray Beach, upon invitation of Rep. Gannon:

All wonderful and powerful God, maker of nature and nature's laws, giver of life, and consolation of our hearts, we thank You for the many blessings and gifts You have poured forth on us in this great state of Florida, our nation, and the world. Today, we call upon You again as we begin our legislative session. Send forth Your spirit to guide us in the use of power that You have bestowed upon us. Give us Your wisdom to exercise our collective wisdom in deliberating the issues that truly affect the lives of our constituents. Open our minds to better understand Your plan in our day-to-day activities. Inspire us with Your counsel so that we may strengthen our resolve to inspire others to do good. Direct our efforts to preserve the life and liberty of the most vulnerable members of our society. Encourage us to strive for peace, justice, understanding, and cooperation and to promote the common good. Renew in us the spirit of generosity so that we may continue to pursue the goals of our founding leaders of our land. Remind us that we are stewards of Your gifts and will be held accountable for their use. Protect us and our families from all harm and guard us from the power of the evildoers. Keep the men and women of our Armed Forces safe from their enemies, so that they may one day again be with us. Keep us humble and ever aware of Your presence in our lives. Grant us a sense of humor when needed and a greater sense of Your authorship of life. All of this we ask of You today and for the rest of our lives. Forever and ever. Amen.

## House Resolutions Adopted by Publication

At the request of Rep. Justice—

**HR 9039**—A resolution commending Hadassah, the Women's Zionist Organization of America, and its members from the Florida Central, Florida Atlantic, Florida Broward, and Greater Miami Regions on playing a vital role in improving the quality of life of people in Florida and the United States, in Israel and Palestine, and elsewhere in the world.

WHEREAS, Hadassah, the Women's Zionist Organization of America, the largest Zionist, largest Jewish, and largest women's membership organization in the country, was founded in 1912 by Henrietta Szold to help meet the medical needs of Palestinians, and

WHEREAS, since that time, Hadassah has been a leading force in supporting Israel's medical needs through Mt. Scopus Hospital, Ein Karem Hospital, and various clinics across the country, and

WHEREAS, Hadassah hospitals, in addition to serving as a model of peaceful coexistence in the Middle East, provide state-of-the-art health care to 600,000 patients a year, regardless of race, religion, or creed, and often treat the most critically wounded in the region's ongoing conflicts, and

WHEREAS, in the United States, Hadassah women sold \$200 million in United States World War II bonds as their first national domestic effort, and

WHEREAS, since then, Hadassah women have been actively engaged in domestic health education programs on breast cancer and osteoporosis; voter registration efforts; Jewish education; grassroots advocacy on United States-Israel relations, Jewish communal concerns, and women's issues; humanitarian relief to distressed communities and countries; and volunteer work in literacy programs and at domestic violence shelters, and

WHEREAS, nominated to receive the Nobel Peace Prize, the Hadassah Medical Organization is recognized for its excellence in promoting peace in the Middle East through its equal treatment for all people, including its care of more terror victims than any other medical center in the region, and, with its mixed staff of people of all faiths, for its serving as a model of cooperation and coexistence in its ongoing initiatives to create bridges for peace even throughout the intifada, and

WHEREAS, on this day, Wednesday, March 22, 2006, Hadassah women have gathered at the Capitol in Tallahassee to help educate Florida Legislators on the value of supporting embryonic stem cell research for all Floridians, NOW, THEREFORE,

Be It Resolved by the House of Representatives of the State of Florida:

That the women of Hadassah from the Florida Central, Florida Atlantic, Florida Broward, and Greater Miami Regions are welcomed by their Representatives on this 22nd day of March 2006 and are commended for their vital role in efforts aimed at improving the quality of life of people in Florida and the United States, in Israel and Palestine, and elsewhere in the world.
